Elementary State 2001

It must have been an incredible sight to see 731 young chessplayers in one big hall, all focused on solving The Mystery of the 64 Squares! And all 731 made it there by scoring a winning record in a qualifying tournament, so the field was tough. Congratulations to Lane Van Weerdhuizen of Lynden who tied for 1st place, and to all who participated!

WASHINGTON STATE ELEMENTARY CHAMPIONSHIP

VANCOUVER, MARCH 24, 2001
